How To Use GIF Stickers in Instagram Stories

Add some extra fun to your Instagram Stories using GIPHY Stickers! Follow these simple instructions below:

1. From your Instagram Story, tap the Sticker button 😊 on the top navigation bar then select 🔍 GIF to add your GIF.

2. In the search bar, type "**Preservation Month**" to find our sticker collection made to celebrate people saving places.

3. From there, you can add and layer as many GIF stickers to your Stories as you want! Don't forget to tag us! **@savingplaces**
